Leigh Hall

CHRISTMAS CRAFT MARKET

Come and see our newly refurbished hall.

Sunday 6th December

10.30 – 2.30

Refreshments Available.

To enquire about a \$10 selling table contact Lynn Ph 0272 868 625

Leigh Business Community

The Leigh Business Community are a varied group that encourage and support local business owners. As part of the promotion of business in the arewe would like to profile local attractions for residents and visitors. This month we introduce you all to Ti Point Reptile Park.

Ti Point Reptile Park is New Zealand's largest collection of Reptiles, displaying over 40 species from Aotearoa and around the globe. See tiny Elegant Geckos (a local Leigh species), baby Indian Star Tortoises, Tuatara, massive Green Iguanas, carnivorous Lace Monitors and everyone's favourite the American Alligators plus much more. Bring your picnic and enjoy the animals and park grounds set amongst regenerating native bush with stunning sea views and bush walk. The park also offers education sessions for schools and groups with a focus on the conservation of native species.

Open every day (except Christmas Day) Ti Point Reptile Park offers a fun and educational outing for all ages.

Open Daily 10am – 5pm Email enquiries@reptilepark.co.nz ph 09 422 6021

Leigh Business Community www.leighbythesea.co.nz to find out more. For any information about the Leigh Business Community, please contact Jan Scott 094226681 or email LeighbytheseaNZ@gmail.com

Leigh Hall

By the time the Rag is published the hall renovations being done by Council will be nearing completion. Painting and major electrical work is well underway now, and we expect the work to be completed by the end of November. The committee wishes to thank all those who supported us in nudging Council to get these renovations underway in the light of their reduced budgets – we are thrilled that Council saw the need for this often used and much-loved community facility to have a facelift. Also, a big thank you to hall users who have patiently waited for this work to be done and who have had to make other arrangements for 5 or 6 weeks. The Hall Committee have decided to use fundraised money to provide new blackout curtains through the hall so it should look great.

To celebrate the reopening of the hall we are running a Christmas Craft Market on Sunday 6th December, 10.30 to 2.30pm. Come and see our refurbished hall, do some Christmas shopping, buy some refreshments and support our local community.

Stall spaces at \$10 per table still available.

Leigh Community Club

As spring gives way to summer it's fantastic to see so many people out and about making full use of our coastal paradise. With recent announcements that a Covid 19 Vaccine is likely to be available in 2021 we can start to see that there is an end in sight for this pandemic which has affected so much of our daily lives.

We can now plan more confidently around events and so the Club is delighted to advise that Santa will be in Matheson Bay for the annual Children's Xmas and Beach Party on Friday the 18th of December, see below for full details

Don't forget to check and rebait your rat traps once a week as part of your gardening routine.

Leigh School

It was a perfect spring day for the school and pre-school children to dress up as pollinators and petals to parade around the school courts. This was the start of a very busy day/week! Leigh School held a Scholastic Book Fair and Te Wiki Ako week. The children invited VIPs to come along to the school and visit the classrooms, purchase books and enjoy a beautiful morning tea. Thank you to Mrs Vikstrand and Melissa Crockett-Joyoue for organising a highly successful event. The school made \$2600 in sales, which gives the teachers \$1750 to spend on new books for the school library! A special thanks to all the parents for the delicious baking and to the PTA for organising the morning tea for the VIPs to enjoy.

Soon after the 3pm bell, the school basketball teams played two games for everyone to enjoy. The PTA put on American hotdogs.

To finish the week, the children held a crazy sock day and favourite book day on Thursday, and on Friday they enjoyed their lunch under the trees at the Leigh Library.

You may have noticed the tamariki on the school field each afternoon practicing shot put, discus, high jump, long jump and sprints. Congratulations to all the children for participating in Leigh School Athletics and a big paki paki for those who qualified to represent Leigh School at Inter School Athletics next week. Good Luck!

End of Year Prizegiving will be held on Friday 11th December @11am in the Leigh Hall.

Last day of school is Thursday 17th December.

Noho ora mai,

Kate

This month's GOOD SORT is **Lynn Garner** our awesome Mail Sorter who we all rely on for her knowledge and expertise but unfortunately also sometimes take for granted. Nominated by Errol & Lorna who wrote.... 'We were appalled to hear you (Lynn) had received complaints and abuse. We see the wonderful job you do sorting the mail accurately, promptly and often involving detective work trying to find the correct home for difficult mail. Don't let the 1% of moaners take from you as we can assure you the other 99% of us appreciate the great job you do.' **Lynn**, the job you do is most deserving of recognition and the folk at Leigh Community Church are delighted to bake for you.

Forest and Bird COAST CARE GROUP Leigh.

Tremendous thanks to the team who launched Pest Free Leigh a couple of weeks ago. It must have been so rewarding for them to have had such a stunning response from our local community. It was particularly important for our Coast Care Group because it brought together the other strand of our pest plant removal project i.e. the removal of pest animals. The talks at the launch were largely about the 'big picture' aim, to get the birds from Hauturu/Little Barrier flying across to Leigh and finding a safe haven to nest. It is also about restoring the habitat for native skinks and geckos, insects, and ultimately even the life in our streams. What a thing to dream of, and with a community like ours, it's very achievable.

With Covid, AC has not allowed working bees, but now we're at Level 1, they can resume. The bush on the coastal walkway at the steps end of Kowhai Tce has become very overgrown since the closure of the walkway for the bridge replacement two years ago. We now need to get that area back in order, and catch up **November working bees** are scheduled. Please do join our community team on one or both of these days by meeting at the end of Kowhai Tce from 9 to 11 a.m on Thurs 19th and/or Thurs 26th. Put it in your diary. We're a good team. You'll enjoy it!

OPEN: Tuesday 2pm-6pm

Wednesday 2pm-4pm

Thursday 11am-1pm Saturday 9am-1pm

Kia ora Leigh whanau

It feels like summer is here already and we had a perfect day for the Leigh School children to have lunch on the library lawn and then explore the Leigh Library. The children were given forms about joining the library if they weren't already members and it would be lovely to have more children and their families join.

Thank you to the fabulous teachers at the school for organising this day as part of book week.

Of course we have some fabulous new books; Trust by Chris Hammer carries on the story of Mandalay Blonde and Martin Scarsden, two main characters from Scrublands, as they are trying to build a new life together. Mandalay is kidnapped and as they say, the story thickens!

There's also a new thriller by Hakan Nesser that should appeal to 'Scandi Noir' fans and we have Vincent O'Sullivan's new book about his friend and artist Ralph Hotere. There's much more so come in and see what's new and exciting on the shelves!

Tracey

MATHESON BAY NEWS

The bay is looking lovely and the 10ml. of rain 10 days ago has given the stream a good clean out. Some Pohutakawa are coming out which is quite early, so maybe we are in for another hot summer, if Maori forecasting holds true.

We have lost our stalwart, Glen Dalton, who has been very involved in the area and great at keeping an eye on the reserve and moving along people in tents. It will be interesting to see how the freedom camping progresses without him. I, for one will not be asking anyone to move on, having been abused several times in the past. Glen is staying on as the Chair for the Matheson Bay Association until the AGM next year in June and will be trying to get the Auckland Council to actually put the camping limits in place that they proposed and were agreed on by the Association two years ago. We wish Glen all the best in his new abode on the Sugar Loaf.

Pest Free Leigh has just taken on some 'street coordinators' who will liaise with the people who have their rat traps and collect the data to be included on the 'Catch-it' website. The whole idea of doing this was only mooted in December last year and even with Covid 19 has got off to a great start with 150 traps given out and distributed in the Leigh and Matheson Bay area. If you are a Matheson Bay resident (permanent or holiday-maker) and would like to be part of this great initiative to rid the area of rats and increase our native species, give me a call on 422 6844. As one of the street co-ordinators I'll be happy to set you up with a trap.

PEST FREE LEIGH

pestfreeleigh@gmail.com

THANK YOU to the 120 Leigh locals who attended our launch last month. Since then we have had lots of interest from others, wanting to know more and to get their free rat trap.

The local uptake has been so great that Ross, Paul and Kevin are already planning construction of the next

200 rat trap boxes.

I am thrilled that we have half of the volunteer street co-ordinators we need already signed up, and a huge thank you to all of you. Street co-ordinators will be working with about 20 neighbouring households to distribute free traps, and collect trapping results. We envisage many of the street co-ordinators will become a connected and social group, and that friends will be made as a result.

We are actively seeking more street coordinators and are keen to hear from anyone who might want to find out more about this critical role.

You can expect to hear from your street co-ordinator in the coming weeks, so please make them welcome. In the meantime, for those of you with traps, please keep setting them (ideally weekly) and feel free to experiment with different lures (eg Nutella, mayo).

Trap boxes often need to age before rats feel comfortable entering them so don't be disheartened if you're not catching straight away. If your peanut butter is 'going missing', try adding a nut or some seeds that insects can't crawl away with. If those go missing too it might be mice and you could try temporarily substituting a mouse trap, but make sure you go back to the rat trap as soon as you can.

Please keep recording what you catch (including zero catches), and our street co-ordinators will collect this data from you in time. You can also share photos of what you are catching on the *Pest Free Leigh* Facebook page

HAPPY TRAPPING

Chris Floyd

Huge excitement! Our first breeding season since the project started and we've already found many nesting sites. With the help of Rua, a tracking dog, and support from Auckland Council, we have been able to inspect these sites with burrow scopes, and now know that several nests have chicks already, and most have two! The birds are preferring to nest in natural sites rather than in the penguin boxes, and that is great.

Because korora are endemic birds we are bound by protocols and only trained and registered people are allowed to interact with the birds. However we are working closely with professional ornithologists and getting huge support from them. Thanks DOC, Auckland Council Biodiversity, and Northern Seabird Trust, and thanks to our wonderful teams of pest trappers too. We're also getting very keen support from the community, and especially from coastal property owners, so it has become a significant Leigh project.

There are two ways we need your further help however.

Chicks are now hatching, and as they grow, the adults leave them to go fishing. This means the young, alone, are very vulnerable to dog disturbance - even sniffing around a nest can disturb them - and we do thank all dog owners who keep their dogs on leads in coastal areas. Most of you do a great job. NB. The project covers most of the coast from Ti Point wharf around to Goat Island.

We also want reports of penguins on land. If they're recent we can follow them up with a site search, but we'd love reports of historical sightings from which we can build up a picture of the past. It may be as simple as "back in the 60s we had penguins nest under our house in Cotterel St" or "as a kid we used to see them come in at Matheson Bay".

Please contact me with any information and I'll follow it up with you.

Neil Sutherland. corsut15@gmail.com, or 0225822713.

I'd love to hear from you If you have spotted a penguin please email leighpenguins@gmail.com

We also offer the following:

- ◆ Water Filters
- ◆ Pool Valet Service
- ◆ Water Testing
- ◆ Water Treatment
- ◆ Spray Equipment
- ◆ Mobile & Workshop Services

Leigh Volunteer Fire Brigade

Leigh Volunteer Fire Brigade had another busy month in October with 13 turnouts in total. These included three scrub fires in Whangateau, Omaha and Matakana, false alarms in Leigh (3) and a total of 7 first response medical calls in Leigh and Matheson Bay.

A reminder that we are still at COVID Alert Level 1 so you may see emergency crews in additional PPE such as masks and eye protection. However, this is just precautionary and not necessarily a COVID related response.

This month the brigade had the new Availability and Messaging System (AMS) installed at the station. This is an additional alerting system along with existing pagers, text message and of course the siren. All members received training and had the app installed on their smartphones. This system allows members to say whether they are responding so arriving crews can see exactly who is on their way to the station. This is a very useful tool and is already proving to be popular with members.

Our 3 newest members Ewen McGeorge, Hayley Nessia and Martha Stafford have recently completed their Medical Co-Response course which is a great start to their recruit training. Congratulations to all 3 for the successful completion of this course.

This month also saw the commencement of the Junior Firefighters Programme lead by Nick and Sarah Torkington, and Tony Enderby. This programme is normally designed for secondary school aged children, however between Nick, Sarah and Tony they have adjusted the course to be more suitable for the primary aged kids at Leigh School. Currently we have 10 junior firefighters taking part in this very exciting programme, learning a range of skills such as how to call 111, escape plans for their houses, team work and first aid skills. This programme will continue to run once every school term.

WHANGATEAU HALL

Musical Events at Whangateau Hall

As we move into summer, the hall is getting busier with private events such as weddings. We have two community events on, everyone welcome. On Thursday the 17th of December there will be a twilight market. Buy, sell, swap, and socialise. There will be a sausage sizzle, so come hungry. 4pm - 8pm. Then on the 26th of December we have our annual Boxing Day "Leftovers Potluck." Bring your Christmas leftovers to share and enjoy music and conversation with friends and neighbours. We'll have sign-ups at the door for floor spots, and if we have enough pickers, we'll have a jam session or a sing-around. If you'd like to play piano and lead us in Christmas Carols, drop Jenine a line at jenine@torkington.com. We'll also have our "white elephant gift exchange." Re-wrap a gift you would like to "pass forward" and take a lucky-dip chance on someone else's. Hilarity guaranteed.

We don't have any music shows scheduled for December, but that doesn't mean one won't happen. Check the website (www.whangateau.co.nz) for all the latest updates. The website is also your go-to source for information about hiring the hall.

Jenine Abarbanel 021 428 568

NOMINATE A LOCAL GOOD SORT

The Leigh Community Church has run the Good Sorts column since 2013. Many fantastic locals have been the Good Sort of the month over the years but there are others out there who also deserve the award.

If you know someone like this who has not yet been nominated, please write in a few words their good deed or thoughtfulness, including their name, address and phone number and drop it into the Leigh General Store in an envelope marked "Good Sort" or email the Editor at LeighRagNZ@gmail.com.

The person considered most deserving will receive home baking courtesy of Leigh Community Church.

Leigh Tennis Club

The Leigh Tennis Club held its opening day on Saturday 25 October 2020. It was a beautiful afternoon, a high standard of play, a sausage sizzle and conviviality to keep the crowds amused. The event – wedged as it is between the crowdless US Open at Flushing Meadow and the upcoming Covid affected Australian Open at Melbourne Park – was held in front of a keen band of supporters, talent scouts and observers. The female talent shone on the day with three women – Diana Wyatt, Jan Kippenberger and Rebecca Butts – taking three of the top four spots. Viv Wyatt helped the men with a sneaky third spot.

The enthusiasm generated by this event has stirred the Club into reviving regular club fixtures for the trophies that were last played for in the late 1990s. In those days, the courts were in a sorry state with broken and fractured concrete surface.

Some of the players and trophy winners back then are still active members of the club now. Shows you are never too old to try your hand to play the game for life.

New member inquiries are welcome. Phone Marie-Dominique 021 490 039.
