Leigh Volunteer Fire Brigade OPEN DAY at the fire station

Saturday, 13 March from 10am to 2pm

**Come and see our team demonstrate the use of the new
CPR and training mannequins
which were paid for from donations from the Leigh
Community**

**Plus we will have the Kitchen Fire unit
demonstrating the do's and don'ts of kitchen fires**

Leigh Business Community

The Leigh Business Community is a varied group that encourages and supports local business owners. As part of the promotion of businesses in the area we like to promote a local business each month and this month we are pleased to introduce you to Leigh Central.

Leigh Central was created from the old Leigh Hotel that was abandoned for 10 years. The 5 'Coastels' - fully self contained motel units were opened at the end of 2016, the old public bar was opened as a wedding venue at the end of 2017 and a motorhome park and boatshed cabins have also been added to the accommodation options.

For Functions, the main Seaview Room can seat 150 guests with a deck and lawn adding indoor/outdoor options for weddings and celebrations. Our smaller Courtyard Lounge is a great meeting space and has been used by a number of businesses from Auckland for a couple of days retreat away from their office. The Courtyard Lounge is also a great space for smaller celebrations such as a 60th birthday or wedding celebration. Our Commercial Kitchen has everything needed to prepare food for the Functions.

Our guests love staying in the middle of Leigh with access to eating options, great walks and close to Goat Island activities.

Call us on 021 246 0757 or email us on enquiries@leighcentral.co.nz if you would like to find out more about what we can offer

For any information about the Leigh Business Community, please contact Jan Scott 094226681 or email LeighbytheseaNZ@gmail.com

From the Editor

As I put this publication together we have started a Level 3 lockdown for 3 days.

I want to remind everyone to **Use the Tracer App to Scan the codes** and keep a note of other places you visit. These actions will help everyone if you contract Covid-19.

We all have probably eased off the frequency of hand washing and drying. This is a timely reminder to keep it up and practice social distancing when out .

Keeping yourself safe helps keep our community safe.

RESULTS OF THE LEIGH COMMUNITY CLUB

100 RAFFLE

December Draw

1st Prize \$300 #57

2nd Prize \$150 # 12

3rd Prize \$50 #99

Congratulations to David Shapelski, Tony Wyatt, Barb Straka.

January Draw

1st Prize \$300 #93

2nd Prize \$150 # 32

3rd Prize \$50 #96

Congratulations to Ruth Gardiner, Zephyr Brown, Kahu Viliua

Next draw due on Friday February 26th @ 5pm

at the Leigh Bowling Club.

Leigh Hall

After a quiet school holiday period at the hall, classes and activities have started up again. There are lots of physical activities, - good for mind, body and soul. Just what some of us need after a hectic Christmas / New Year break, too many yummy eats and possibly having been inundated with visitors to our lovely neck of the woods. For contact details for Yoga, Dancing and Nia classes, and the Waste Free Leigh Sewing group email leighhallauckland@gmail.com.

The hall committee has purchased new curtains from our fundraising done over the years. These should be in place well before the cooler weather comes, as will the trophy cabinet which has been removed and renovated by Bernard Dooling – wow it looks wonderful. Thank you, Bernard.

Aluminium cans still provide a small fundraising stream and we appreciate your continuing to fill the can cage in Cumberland Street. The Community also has soft plastic bag recycling there. We love that Leigh visitors and locals are being so waste free aware.

We do have some little jobs coming up soon – please watch Facebook or your club/school newsletters for volunteers wanted. We like the fact that this is still a rural community hall and the community cares about it and uses it a lot. Talk to us if you would like to use the hall, - we have reasonable rates. Movement is the best way I know how to connect and communicate with myself and others. I love to shake it all around and feel like we are partying in the middle of the day. But I also love to slow down the body, connect with our breath and reset that busy go go go clock within us.

—
AMARA LABB
NEW NIA WHITE BELT TEACHER

The Nia technique is a joyful and conscious practice of moving and exercising the body, mind and soul. Blending aspects of dance, martial arts and the healing arts. Nia technique provides a well rounded barefoot workout that will have you feeling connected. Working out shouldn't be painful or a hassle. Nia gives you permission to let your body move you. The body tells you when something isn't right and it's about listening and tweaking your participation to find pleasure. This is why Nia is for everyone! As your instructor I will present steps, music and the language to guide you through a one hour practice. To step into a class you just need an open mind and to be willing to let your body move and take the lead- no more thinking.

Forest and Bird COAST CARE GROUP Leigh.

We must have had good weeders for our last three working bees. The area at the end of Kowhai Tce we prepared for planting still looks good, with little regrowth of jasmine. Let's hope for rain late April and May, ready for our planting later that month. As usual we aren't having working bees just now, waiting for the weather to cool a bit.

We'd be delighted if residents had a good look for MOTH PLANT- both in their section and in their neighbourhood. It's very easy to spot now with it's creeper vines poking out with creamy flowers, or some now have big choko like pods already formed. Please get the roots of the plant out, and put the pods into your rubbish sack for disposal. We want to stop the wind spreading the MOTHPLANT seeds to Hauturu/Little Barrier Island, and across to Tawharanui. This is a community wide project. Please help!.

Neil Sutherland.

Proper Hand Washing is still an important and effective way to eliminate the spread of the Covid 19 virus. Please keep it up and stay safe.

MATHESON BAY NEWS

Well, the summer is certainly cooler than last year and there has been more rain, but not enough to close the large cracks or wet the undergrowth. The Kahuroa track is looking better than this time last year, but still could do with more rain, as could many tanks in the area.

The beach was very busy over the two long weekends, but now that the main holiday period is over it is mainly back to the regular swimmers. It was interesting watching the contractors returning the pontoon after it came off in recent swells. They have re-attached it to the original mooring, so hopefully that will keep it there until Autumn.

There were a few problems with jet skis in the bay (which under Rodney Council was illegal). Signage is still up, but it appears that our bay was left off the no-go areas when we joined Auckland Council. One would think it was a no brainer not to come through swimmers and divers in a swimming beach. Evidently not.

A large pohutakawa tree at the turn-around in Matheson Bay Road, which gave up the ghost during last year's drought has been cut down. The two remaining are looking very healthy still which is great for all the birds who enjoy them. Speaking of which, Californian Quail have been busy breeding with a family of three and another family of 10 adding to the wide variety of birds in the area.

Someone has thrown fish carcasses into the creek behind the toilets which left a disgusting smell and pollution of the stream, but on the whole the reserve has been kept pretty clean which is good to see.

GOOD SORTS

This month our GOOD SORT is

Lily Walkington nominated by Helen who wrote: "*Lily has recognised a need for a soft plastic collection service in Leigh and has built a receptacle, put up instructions and will transport the contents to an official collection centre in Silverdale on a regular basis. This is a fantastic service for our Community*"

We at the **Leigh Community Church** totally agree and have Home-baking coming your way Lily. We also understand your services entail sorting and even cleaning this plastic so please people give Lily a hand by dropping off only **clean** soft plastic.

The annual **Harvest Celebration** will take place @ **Leigh Church** on Sunday **March 14th** 11am and Monday **March 15th** Produce Stall 8.30 - 10.30 outside Leigh General Store,
all proceeds to Kiwi Missionaries Greg & Rosie Blok in Thailand.

LITTLE BLUE PENGUINS – KORORĀ

A Forest & Bird Warkworth initiative

By now young penguins have most likely fledged and gone out to sea to feed. The adult penguins will continue to come ashore till around the end of March to moult. They need to shed their feathers and stay ashore while their new ones grow and could be on land for two weeks during this time. They cannot swim

again until moulting is complete and their feathers are waterproof. This makes them very vulnerable to any land predators until they are ready to go to sea again. If you do see a penguin on a beach or rocks please leave it alone. They are quite scruffy looking during moulting but not ill. It would help if dogs are kept on a leash around our coastal areas where penguins come ashore.

To help penguins further we now have seven traplines and have regular trappers checking these for us. This must be making a huge difference to our local birdlife as we have reduced the numbers of rats, mustilids and possums around the coast. Email Leighpenguins@gmail.com with details of any penguin spotted on land.

What's on at the Leigh hall:

PEST FREE LEIGH

pestfreeleigh@gmail.com

Almost 50 more households have joined the Pest Free Leigh initiative since our October launch. We have now given out around 200 rat traps and boxes, most of which are on the ground in backyards across Leigh, Matheson Bay and Ti Point. The traps on the ground form a network, and every trap that is baited and set contributes to our collective effort. Thanks to the amazing work of a small group of volunteer box-builders, we still have rat traps and boxes to give to residents who don't yet have one.

There were reports of 20 rats caught in November and December. At this stage there are no obvious 'hot spots' for rats – they seem to be distributed throughout the community. Quite a few mice were also caught in traps. We welcome reports from all trappers – including those 'zero heroes' that have persisted despite catching nothing!

Grateful thanks to all our street coordinators. We currently have street coordinators covering about half of the Leigh, Matheson and Ti Point areas, but we are looking for more people to help fill the gaps. If you would like to know more about helping as a street coordinator, please get in touch on our email address. If you currently don't have a street coordinator, please continue to report your trapping results (yes, even if you caught nothing!) directly to pestfreeleigh@gmail.com.

As we settle into 2021, the team will be looking to expand our network. Keep up the good work, it all helps!

We also offer the following:

- ♦ Water Filters
- ♦ Pool Valet Service
- ♦ Water Testing
- ♦ Water Treatment
- ♦ Spray Equipment
- ♦ Mobile & Workshop Services

31 Woodcocks Road, Warkworth ♦ Phone 09 425 9100
E: splashwater@xtra.co.nz

Leigh Volunteer Fire Brigade

Hopefully everyone had an enjoyable Christmas and New Year and another fine summer holiday. Santa did his annual Christmas Eve stint around the local streets on the fire truck which was enjoyed by all.

Leigh brigade members had one their busiest ever December-January holiday periods with 17 callouts in December making a total of 132 callouts for the year, followed by a further 15 in January.

There were structure fires at Omaha, and Leigh, machinery on fire at Ti Point, vegetation fires at Leigh (3), and Whangateau (2), motor vehicle accidents at Leigh, Whangateau and Matheson Bay, an animal rescue at Cape Rodney and false alarms to Goat Island (3) and Leigh. The other calls were 1st response medicals to Leigh (4), Matakana, Cape Rodney (2), Ti Point (2), Whangateau (2), Pakiri (2) and Goat Island (3).

In spite of the dry conditions and the lack of a complete fire ban we had no major vegetation fires to attend. There were reported problems with campers lighting fires around Ti Point, none of which spread into the grass or trees.

The brigade has finally obtained its CPR training mannequin and indestructible training mannequin which can be rescued from anywhere for training. Thanks to those members of the community who made this possible. As St John Ambulance have been unable to provide first aid training the CPR mannequin especially, will be vital over the coming months for training.

Our new mannequins will be on display at the fire station for an open day on Saturday, March 13 from 10am to 2pm. Brigade members will display rescue and CPR skills and a specialist kitchen fire demonstration unit will be on site. This should be a good day and the chance to see our crew in action. We look forward to seeing you there. Everyone is welcome.

The brigade is fairly strong at the moment but there's always room for new recruits. If you think you'd like to give firefighting a go, come down to the fire station at 7pm on Tuesday night and have a look at what we do.

WHANGATEAU HALL

Music and Events at Whangateau Hall

Events coming up at Whangateau will be subject to Covid Alert Levels. Currently on our March schedule we have:

Friday, 19 March: Full concert with Gillian Boucher and Bob McNeill.

Monday, 29 March: Club Night with special guests Looking For Alaska

More information about the bands and whether or not schedules will change because of Covid Alert Levels will be posted

to whangateau.co.nz, or subscribe to our mailing list on the website to get updates sent direct to you.

Rules for Whangateau Hall under Covid Restrictions:

Alert Level 3: Maximum 10 people in hall and on grounds, event duration 2 hours.

Alert Level 2: Maximum 40 people in hall and on grounds, event duration 2 hours

See www.whangateau.co.nz for all your up to date Whangateau Hall News.

Jenine Abarbanel

NOMINATE A LOCAL GOOD SORT

The Leigh Community Church has run the Good Sorts column since 2013. Many fantastic locals have been the Good Sort of the month over the years but there are others out there who also deserve the award.

If you know someone like this who has not yet been nominated, please write in a few words their good deed or thoughtfulness, including their name, address and phone number and drop it into the Leigh General Store in an envelope marked "Good Sort" or email the Editor at LeighRagNZ@gmail.com.

The person considered most deserving will receive home baking courtesy of Leigh Community Church.

Leigh Tennis Club

While all spectators at the Australian Open are now subject to lockdown and the Grand Slam is being played in an empty stadium, the situation at Leigh Tennis Club is quite different. Players are enjoying glorious summer weather – perfect conditions for tennis and the grandstand is full of enthusiastic and supportive spectators.

There are several new members who are bolstering the keen band that are playing on Thursday and Saturday afternoons. If you are keen to join in phone Marie Dominique Ph 021 490 039.

We are keen to reinvigorate the Thursday morning casual play, especially while temperatures are kind. Phone Liz Jones Ph 021 0721 101 if you'd like to play from 9.30-11 am during daylight saving hours. Great way to get fit, have some fun with the locals and enjoy some "me" time.

New member inquiries are welcome. Ph Marie-Dominique 021 490 039.

Forest and Bird COAST CARE GROUP, Leigh.

We must have had good weeders for our last three working bees. The area at the end of Kowhai Tce we prepared for planting still looks good, with little regrowth of jasmine. Let's hope for rain late April and May, ready for our planting later that month. As usual we aren't having working bees just now, waiting for the weather to cool a bit.

We'd be delighted if residents had a good look for MOTH PLANT- both in their section and in their neighbourhood. It's very easy to spot now with its creeper vines poking out with creamy flowers, or some now have big choko like pods already formed. Please get the roots of the plant out, and put the pods into your rubbish sack for disposal. We want to stop the wind spreading the MOTHPLANT seeds to Hauturu/Little Barrier Island, and across to Tawharanui. This is a community wide project. Please help!
