

COHOUSING FOR LEIGH?

Have you ever wondered how it would be.....

To live lightly on the earth and not have to own and do everything yourself? To live in a safe, multi-generational neighbourhood where you are valued and where you belong? To have privacy and autonomy AND really know your neighbours?

Cohousing is a form of collaborative housing in which residents actively participate in the design and operation of their own neighbourhoods. Earthsong Eco-Neighbourhood in West Auckland is recognised internationally as a model of sustainable community, and was a finalist in the World Habitat Awards and the UN Habitat Awards. Visit www.earthsong.org.nz to learn more.
